# **LA CAÑADA FLINTRIDGE COORDINATING COUNCIL HISTORY AND PURPOSE**

The La Cañada Flintridge Coordinating Council is a nonprofit organization that serves as the coordinating body for the many local volunteer and service organizations. The activities of the Council are intended to assist other local organizations in planning dates for regular meetings, as well as special events. The Council also serves as a clearinghouse to the public for information regarding local organizations, including meeting times and places and identification of the leadership of each of the local organizations.

The Council provides an online Directory of Community Organizations including officers, meeting schedules, and services provided. In addition, the Council coordinates the Community Calendar of Events listing of meetings and major events. The Council conducts special Town Hall informational meetings to introduce to the community candidates for the La Cañada Flintridge City Council.

In 1965, the Council awarded the first Community Action Awards to organizations and individuals who have provided outstanding service to our community. In 1969, the Awards were renamed the Les Tupper Community Service Awards, in honor of Mr. Leslie (Les) C. Tupper, a La Cañada Flintridge resident and well-known Los Angeles attorney. "Mr. La Cañada" was an active member of the school board and later served as its chairman. He was also president of the Council before La Cañada Flintridge became a city and at a time when the Council was the only body that served as a link between the various local organizations.

Since its inception in 1969 until 2019, the annual awards ceremony has been hosted by the Jet Propulsion Laboratory (with approval of NASA) in the von Karman Auditorium. In 2021 the venue was changed to the Flintridge Prep High School Auditorium. The Les Tupper Community Service Awards presentation is usually scheduled for the second Monday each April.

## Regular Meeting Date and Time:

## Regular Meeting Location:

## Services:

IEEE Metropolitan LA Section provides jobs references to engineers. It serves as a central point of contact for the Press on information needed for legislations affecting jobs in the engineering community in Southern California . Metro LA also provides outreach mentoring and support for LCHS student participation in engineering-oriented events (e.g., science clubs and robotic competition). In addition it reaches out to other schools as requested and as needed such John Muir HS in Pasadena, Clark in La Crescenta, Glendale College. IEEE provides job leads ([www.ieee.org/jobs](http://www.ieee.org/jobs)) for students, the general membership and the public.
